

Remarks

This Response to the Notice of Non-Compliant Amendment (37 CFR 1.121) mailed on October 28, 2003 in the above-referenced application provides a resubmission of the corrected section of non-compliant amendment submitted on October 20, 2003. The resubmission of the Amendments to the claims section now provides a complete listing of all of the claims, including the claims not present. These claims have now all been provided with the proper status identifiers.

This response should therefore obviate the objections given in the Notice of Non-Compliant Amendment (34 CFR 1.121). Therefore, the applicant respectfully requests that the amendment filed on October 20, 2003 be entered.

Respectfully submitted,
